Event Management

(coordination only)

This package is designed for clients who have most of the planning completed but want a professional to pull everything together and run the day smoothly.

INCLUSIONS:

- Service begins up to 60 days prior to the event
- Review of existing contracts, vendors, and plans
- Event timeline & run-of-show development
- Event logistics review (layout, flow, timing)
- On-site event coordination on the day of the event
- Vendor management and timeline enforcement
- Event flow oversight from setup through breakdown (8hrs)
- Troubleshooting and behind-the-scenes problem solving
- Primary point-of-contact for vendors and venue
- Host support to ensure a relaxed, stress-free experience

INVESTMENT
STARTING AT: \$850

Public Events

Includes ticketed or registration-based events, retreats, pop-up shops, business open houses, and more.

All public event services are custom and curated based on event scope, anticipated attendance, and staffing requirements. Please book a complimentary discovery call to discuss your event needs and estimated investment.

Things to Note...

- Special rates available for micro events or dinners inclusive of 25 guest or less.
- Events with guest counts over 160, or events with particularly complex logistical needs may require at least 1 additional coordinator. Please book your complementary discovery call for investment details.

Ready to book???

Book your complementary discovery call. A signed contract and 40% deposit are required to secure your date. Contracts and invoices are provided electronically via Square.

Looking forward to working with you to ensure your day comes together just as you have imagined!
